

2025 Water System Improvements

During the 2025 construction season, the Bristol County Water Authority (BCWA) will be undertaking two major infrastructure improvement projects aimed at upgrading our water distribution system. These essential improvements will enhance service reliability and continue investment into our distribution system.

Project Overview

| Location | Street Name | Town |
|--------------|----------------|---------|
| Work Site #1 | Gooding Avenue | Bristol |
| Work Site #2 | Child Street | Warren |

- **Total Investment:** ~\$1.5 million
- **Contractor:** Boyle & Fogarty Construction Company
- **Timeline:** Construction will begin in July 2025 and is expected to wrap up by late fall.

Note: The contractor may contact local property owners or businesses regarding road closures, temporary water service interruptions, traffic control, or other logistical needs.

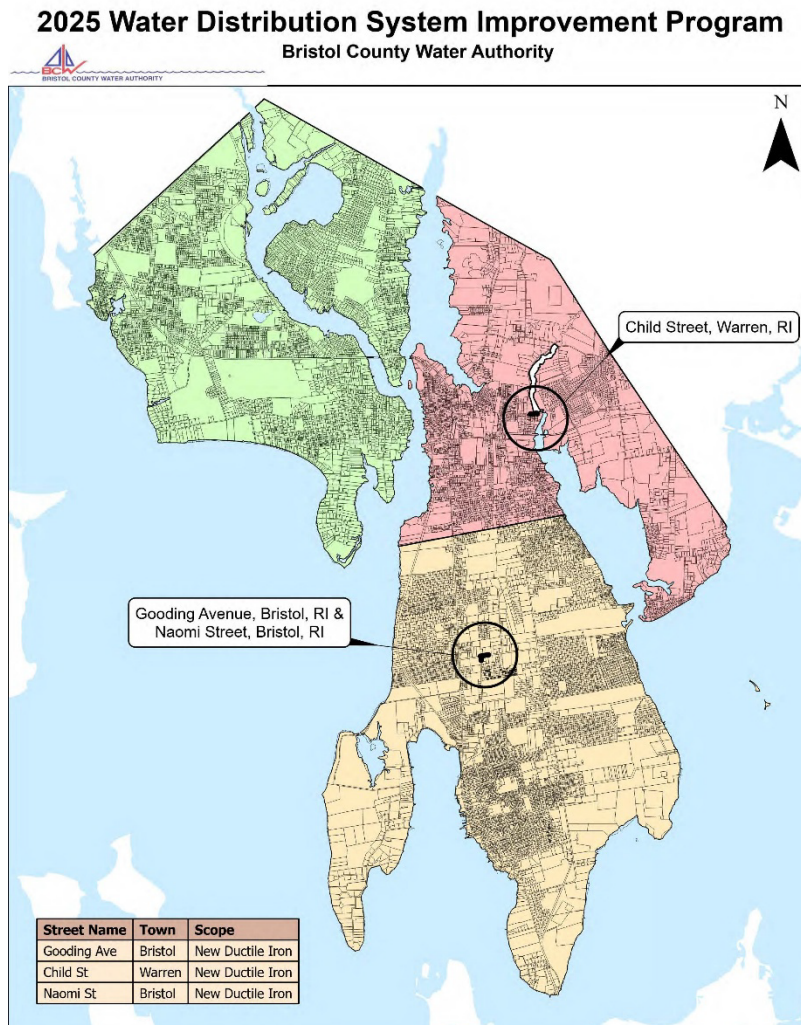

Work Schedule

- **Days:** Monday through Friday
 - **Hours:** 7:00 AM – 3:30 PM
 - **Traffic Management:** Police officers will be on-site daily to ensure safe traffic flow through work zones.
-

Temporary Water Shutoffs

- Any required temporary water service interruptions will be communicated at least 48 hours in advance.
 - BCWA and its contractors are committed to minimizing disruptions and ensuring customer safety.
